

Oh no...

**You're traveling down the
highway & realize the
red light on your
dashboard says
you're almost
out of
gas**

SEND THIS FORM TO:

TVC MARKETING INC.

PO BOX 20490

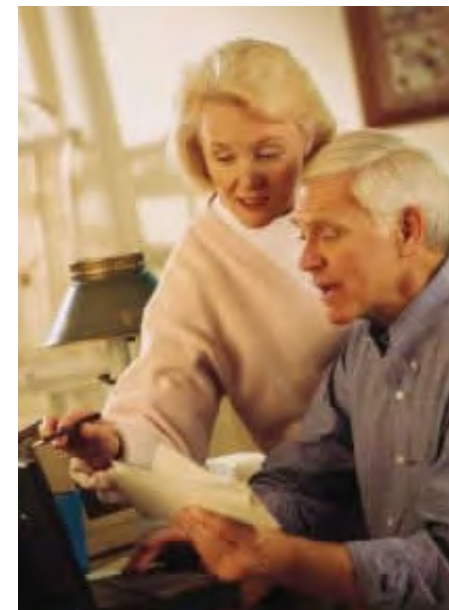

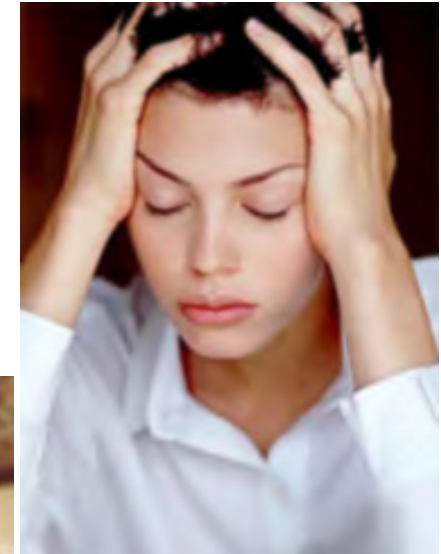

OKLAHOMA CITY, OK 73156-0490

You may not have enough gas to get home!!!
Has that ever happened to you with no gas
station between you and your final
destination?

It has to me, and that's a scary feeling. You just
hope you can make it there and not be
stranded in the middle of nowhere.

Or, have you ever got to the 15th of the month
with no more money in your checking
account, or cash in your pocket. The credit
cards maxed out with more bills to pay. Still
need food, prescriptions, house payment,
children's needs, car payment, etc.!!!

I have, and that's a scary feeling too!

Have you ever thought about retirement and
looked at your social security, and realized
that it's less than you're making now, and
thought, "I won't have enough money to live
on, much less pay for prescriptions, house
payment, travel, much less think about
retiring!"

I have. And, if social security was all I had,
that would scare me to death!

HOWEVER, now with the new 3X8 TVC
Referral Matrix Program, you can show
people how to have a great service as well as
the retirement income they need for life!!!

Go to <https://www.tvcmatrix.com> to see the new matrix's commission in detail. You can find each product's commission details under the matrix link under each individual SBCA product. However, here are a few examples showing eight levels with 1st and 2nd matching commission:

- ◆ The \$5.95 TVC Plus Motor Club plan would earn you over \$11,000 a month; over \$139,000 a year!
- ◆ The \$11.25 TVC Plus 100 Motor Club plan would earn you over \$22,000 per month; nearly \$265,000 a year!
- ◆ The \$42.90 SBCA Green Plan would earn you over \$84,000 per month; and over \$1 million per year!

When you send someone to your web site and they sign up for an SBCA plan, they get up to 50% discount off their first month's membership fee and you earn 10% of the commissionable value for the first month. The second month forward, the membership falls into your matrix.

To sign someone up, all they need to do is click "Add to Cart" and upon completion of sign-up, they will get their own website so they can begin signing up their own referrals and building their own retirement!

To stay active and earn reward income, all they need is one referral to sign up in the previous 90 days, or have an active membership of \$5.95 or greater, and their commission will be paid on the 15th of the month.

To fill your matrix, all you need is:

Generation	Sales	Comm.
1st	3	1%
2nd	9	1%
3rd	27	1%
4th	81	1%
5th	243	8%
6th	729	1%
7th	2,187	1%
8th	6,561	5%

To qualify for 1st Matching Matrix Commissions you must:

- a. Have a active SBCA membership of \$42.90 or greater; and
- b. Have at least 3 - 1st generations who each have an active SBCA membership of \$42.90 or greater; and

c. Have at least 9 - 2nd generations who each have an active SBCA membership of \$42.90 or greater, of which no more than 3 can come from any one 1st generation.

To qualify for 2nd Matching Matrix Commissions you must:

- a. Have a active SBCA membership of \$110.00 or greater; and
- b. Have at least 3 - 1st generations who each have an active SBCA membership of \$110.00 or greater; and
- c. Have at least 9 - 2nd generations who each have an active SBCA membership of \$110.00 or greater, of which no more than 3 can come from any one 1st generation.
- d. Have at least 27 - 3rd generations who each have an active SBCA membership of \$110.00 or greater, of which no more than 3 can come from any one 2nd Generation.

So, if you had 3 - 1st Generation Associates who each had 3 - 1st Generation Associates, and you qualify for 2nd Matching Retirement Commissions, you would receive Matching Retirement on 12 associates... 3 - 1st Generation Associates and 9 - 2nd Generation Associates.

And, you can vest Your Retirement Commissions... By maintaining a paid up SBCA Green, SBCA Platinum Plus, or a Matrix Plus membership, your Retirement Commissions are a willable entity. So what are you waiting for?
