NOW DETERMINE WHICH AREAS NEED IMPROVEMENT

SEVEN STEPS FOR GOAL SETTING

1. Identify the Goal
2. Set a deadline for achievement
3. List obstacles to overcome
4. Identify the people and groups to work with to accomplish your goal
5. List skills and knowledge required to reach your goal
6. Develop a plan of action
7. List the benefits – What's in it for me.

GOAL SETTING

Look at dream sheet and select only those items you truly want to achieve.

Combine items from both the dream sheet and the self-evaluation to get a comprehensive list of your major goals.

Before you transfer items to your Major Goal Sheet, make sure you can answer yes to these 5 questions.

1. Is it really my goal?
2. Is it morally right and fair?
3. Are my short-range goals consistent with my long-range goals?
4. Can I commit myself emotionally to complete the project?
5. Can I visualize myself reaching this goal?

If so record the item on your Major Goal Sheet.

From the new list select at least 2 goals that you will work on every day.

For each goal you work on daily apply the seven steps to goal setting.

Identify Goal	Identify People
Set Deadline	List Skills
List Obstacles	Develop Plan
List Benefits	

Evaluate all of your goals on a regular basis.

When one goal is reached, replace it immediately with another goal.

Certain emphasis on goals may change so review your entire list regularly and adjust.

If it is a give up goal share it with everybody.

If it is a go up goal share it only with those you love and trust who will give you support.

In order to reach your Goal you have to make a Commitment.

DO IT NOW!

BENEFITS OF GOALS

Goals enable you to:

- Know, be, do and have more...
- Use your mind and talents fully...
- Have more purpose and direction in life...
- Make better decisions...
- Be better organized and effective...
- Do more for yourself and others...
- Have greater confidence and self-worth...
- Feel more fulfilled...
- Be more enthusiastic and motivated...
- Accomplish uncommon projects...

In order to succeed in life you must become a Flee Trainer.

- Flee Trainers are driven from within.
- Flee Trainers are not a SNIOP, they are not Susceptible to the Negative Influences of Other People.
- Flee Trainers understand that you will get everything you want in life if you just help enough other people get what they want from life.
- Flee Trainers don't tell others where to get off, they show them how to get on.
- Flee Trainers don't try to see through other people, they try to see other people through.

CLASS ONE

COMPLETING THE APPLICATION

Pay Methods & Completing Different Types of Applications

PAY METHODS

Bank Draft:

Whenever possible, attach a voided check or deposit slip of the account to be drafted. Be sure to complete the name, street address, city and state of the bank to be drafted in order to verify the transit numbers (bank routing numbers).

All transit numbers must be nine (9) digits. Draftable transit numbers CANNOT begin with any number greater than 32. If the member does not know his transit number, but has a check or deposit slip with him, the number is listed at the bottom of the check or deposit slip with the account number and check number.

SCS cards, ATM cards, and most other cash cards CANNOT be used for drafts. The numbers on these cards are generally NOT the account number, and are therefore useless when trying to draft from an account.

If you are having trouble getting bank account numbers from the bank by phone, ask if you can fax the application with the signature for verification. Usually, the bank will then call you back with the account numbers.

Bank drafts are sent for collections monthly a few days prior to the enrollment date. Occasionally, when the draft day falls on a weekend, the draft may hit on Friday before the weekend.

Canadian banks can now be drafted. **It is important to attach a voided check or deposit slip of the Canadian account to the application.** Canadian checks marked "U.S. Funds" can be cashed and are gladly accepted. These applications can only be input by the home office.

Bank draft authorizations must be signed by the **SIGNER ON THE BANK ACCOUNT ONLY**. Do not sign for the member or write "Per Phone Call To Member".

If a customer must call their home or bank for account numbers, stay with them at the phone to answer any questions or objections from the spouse or bank.

If the member wants his account to be drafted on a specific date, this can only be handled by the home office. Associate services will inform you how to process these applications.

Be sure to send the appropriate copy of all applications to the home office.

Credit Cards:

After you input an application using a credit card as the method of payment, make sure to send the appropriate copy to the home office as soon as possible for all of that weeks sales. If the member happens to dispute the charge on their credit card because they

did not recognize our name on their statement, or deny the charge for any other reason, we must produce a copy of the signed application to avoid being charge back by the credit card company.

Referring New Associates and Prospective Members to your Personalized Website

Each Associate has a personalized website where they can refer people to purchase memberships and/or sign up to become an Associate. The name or URL of the website is determined when you choose your Username when signup as an Associate. If, for example, your chose your Username to be "mynameis" then your personalized website would be:

www.tvcmatrix.com/mynameis

Once a prospective member purchases a membership, they to will receive their own personalized website.

Other Helpful Tips

All cancellations must be in writing and the bond cards returned with the cancellation notice. Refer to the bank draft and credit card authorization sections on the application, as well as the cancellation section in the membership handbook.

CUSTOMER SERVICE

Customer service is a sale waiting to happen. Any great company excels in Customer Service (just look at Sears, American Express and Southwest Airlines).

You may be the only one representing MCA that actually comes into contact with the customer, so be sure you have the tools necessary to provide information. If a customer comes by with a complaint, listen. Take down the information and call Associate Services. They will help to assess the problem and determine what needs to be done.

Make sure the customer understands the product. Always validate their feelings and resell the membership. Make sure they understand the value of their membership.

CONFERENCE CALLS

You can hold weekly and monthly conference calls with your teams. These are designed to offer training and recognition, as well as keeping Associates informed on their standing for the month (are they close to reaching a bonus, etc.?). Most importantly conference calls bring your team together.

UNDERSTANDING YOUR WEBSITE

As a TVC Associate, you have the benefit of having your own website. On your website, you have the ability to monitor your business, monitor your team's progress, and enter your own sales.

To receive your own website, just sign up for your membership or to become an associate. Any membership you purchase gives you a website. (To qualify for bonuses, you must have a membership value of \$19.99 or above. See section in Training Class Four for more information).

Your web-site address will be www.tvcmatrix.com/YOUR_USER_NAME. You will be prompted to choose a "User Name" when you enroll. Key in Direct Sales is the ability to think on your feet.

Learn how you will react – don't freeze

Introduction To Merchants:

Hi I'm [*your name*] (shake hands)

I've been talking with some of the merchants and other citizens in the area and I have something I think you would be interested in.

PAGE 1

I represent Motor Club of America. When you join Motor Club of America you get a membership card that looks just like this. Your membership covers you in the United States and Canada.

PAGE 2

First thing your membership provides is Road Side Assistance. When you are in your vehicle and you have a problem, all you have to do is call us. 24/7 just sign and drive.

If you have a flat somewhere, you call us and we'll send somebody out to you. Nobody likes to change a flat other than the guy getting paid to do it, right?

If you lock your keys in your car, have a dead battery, or you break down somewhere you call us 24 hours a day and we will take care of it.

PAGE 3

It also covers your RV, your dually pick-up truck over 1 ton, your boat trailer, your motorcycle, or your live stock trailer up to \$100 for service.

PAGE 4

You've also got \$500 in travel assistance.

Here's how this works –

If you have an accident, you hit somebody or somebody hits you or there may not be any one else involved. Maybe you hit a deer. This can help you continue to do your job.

So if you have an accident, it pays for your car rental for seven days up to \$500.

Now if the accident is away from home, here's what we will do for you –

If you are 50 miles or more away from home we'll pay up to \$500 for meals, lodging or for transportation home – now that may mean you have to rent a vehicle or you may have to get a flight to get back home. This will take care of you so you aren't stranded.

If your car just breaks down it doesn't cover that, but if you are in an accident regardless of who is at fault, we're going to keep you from being stranded.

PAGE 5

MCA also provides planning and travel reservations. When you get ready to take a trip – you'll like this, a lot of our members say this is worth the money alone and they love it.

Call us – we'll send you a nice trip pack, we can schedule your trip, you get detailed routings, maps, airline reservations, and hotel discounts.

So anytime you get ready to travel, you use this and that saves you money.

PAGE 6

You also have \$500 in bonds.

If you get stopped for a moving violation and there is a charge against you, we will post a \$500 bond for you.

Here in Oklahoma they will just write you a ticket but in some states when they stop you it's not so easy. They want you to pay the fine before they let you go. If you're coming back from a trip somewhere, you might not have \$95 or \$100 in your pocket to pay for a ticket.

We'll take care of you 24 hours a day – just call us.

PAGE 7

You've also got \$25,000 in bail bond to release you.

PAGE 8

You've got \$2,000 in legal fees to defend you for any of the over 100 moving violations you can be charged with. That's everything from speeding to vehicular homicide.

It's a good feeling when you head down the road to know that you already have legal benefits bought and paid for with your membership.

PAGE 9

You also have \$1,000 in legal fees for an attorney to help you collect on injuries you suffered when you are in an accident or someone damages your vehicle.

If someone hits your car and they don't want to pay to fix it and you have to get an attorney involved – that's how this works.

PAGE 10

Also with your membership you have \$5,000 in stolen vehicle reward.

If somebody steals your vehicle, you call the club to report it and you call the local law enforcement – we'll put up a \$5,000 reward for the recovery of your vehicle and the conviction of the person who stole it.

PAGE 11

You also have up to \$1,000 in credit card protection. Do you carry credit cards?

If your credit card is lost or stolen we have up to \$1,000 in protection for you.

PAGE 12

We also have a \$500 reward for information leading to the arrest and conviction of someone that has stolen your livestock, your stock trailer, your tack or any farm equipment.

If someone steals something off the farm we put up \$500 for the recovery of that equipment.

PAGE 13

You get discounts on your prescriptions, eye care and dental. If you and your family are members you can all save.

You can go to any of the major pharmacies and receive discounts on your prescription drugs.

You also get discounts on your eye exams, contact lens, glasses and Lasik surgery.

You can use this for you and your entire family that are members. There are also dental savings up to 50%.

PAGE 14

You also have emergency benefits, that cover you on any accident, not just vehicle accidents.

PAGE 15

If you are injured in a covered accident we pay emergency room benefits up to \$500.

If you are involved in an accident and the EMT says you need to go have yourself checked out, you know you have \$500 in benefits. What a lot of people like about this is that it can help with your deductibles on your hospital benefits on your insurance.

PAGE 16

You've got hospital benefits. If you are injured in an accident and end up in the hospital this pays \$150 a day for a full year.

That is \$54,750 in benefits available to you.

The nice thing is these benefits are paid directly to you, not the hospital. If you have health insurance that's going to pay the hospitals and doctors but this is paid directly to you because you are going to have a loss of income. You're going to have expenses you have to cover, so this comes directly to the member.

PAGE 17

You have \$10,000 death benefit. If a member is killed in any accident, we pay \$10,000 to the estate.

PAGE 18

Another benefit you have on your membership is an additional \$50,000 accidental death benefit you may enroll in.

You have 3 choices:

1. Individual coverage
2. Husband and wife coverage or
3. Family coverage

You elect the level of coverage you want.

You can choose option one – which is \$50,000 benefit. If something happens to you we pay \$50,000 to your family if it is an accident.

You can choose option two which is \$25,000 on you and \$25,000 on your spouse.

Or you can choose option three that provides \$30,000 on you, \$15,000 on your spouse and \$3,500 on each of your children.

Option 3 also carries some additional benefits of up to \$1500 a year for day care for your children, it will pay up to \$1500 a year for children who are enrolled in higher education, and it can provide retraining money up to \$3000 for your spouse to re-enter the work force.

So you can choose the level of benefits you like.

PAGE 19

You also have a travel assistance program. This is a worldwide travel benefit.

If you are 100 miles or more away from home and you have any kind of medical emergency, this will get you back home. I've heard these medical helicopters don't get off the ground for less than \$25,000. It costs a lot of money if you need this and it is a part of your membership.

This is world wide - so if you were on a cruise, if you were in Hawaii, or if you were in London England, this protects you worldwide. This covers accidents and even if you get sick.

PAGE 20

So here's what you get with your membership:

You have road side service 24 hours a day – if you have children you can put them on the plan as well. If you don't want to be broken down on the side of the road, you certainly don't want your children broken down there either. So you want to have this for them also.

You've also got your emergency road side assistance for your boat trailer, your RV, your motorcycle, your duley, and your livestock trailer.

You also have \$500 travel interruption assistance if you're involved in an accident more than 50 miles from home or car rental for an accident closer to home.

You've got your trip planning.

You have \$25,000 bond.

You've got \$2000 to defend you.

You've got \$500 stolen vehicle reward.

You have \$1000 credit card protection.

You have \$500 in reward if anything happens to your farm equipment.

You've got prescription drug, vision and dental discounts.

You have \$500 for emergency room benefits.

Over \$54,000 in covered hospital benefits.

\$10,000 accidental death benefit.

And you have an additional \$50,000 death benefit tacked on to that.

Finally you have travel assistance anywhere in the world.

You get all these benefits and services for only \$19.95 per month.

Now you can also put your spouse on this plan.

Let me show you our application –

You put your name here, then you can put your spouse on here, then you can add each of your children.

This is the 800 number if you need any help before you get your card, you just call this number and they will help you.

MCA Approach

After you normal greeting

I've started a new Business. As a part of my training, I've got to show our program to 20 people. It will only take about 15 minutes. You may or may not be interested.

The Art of getting Recommendations

When you've made the sale, you close your kit, and when the prospect sees you close the kit, the process is over in their mind and they kind of relax. Then the first thing I say is,

“I want to ask you a question. As a matter of fact, I need your help. We've found as a company that we get our best members from people just like you, hard-working, responsible people. Who do you know here in this area that would make me a good member?”

When somebody says “I want to ask you a question” an antenna goes up. They kind of perk up a little bit. And then you say “As a matter of fact, I need your help.” They immediately move to ‘how can I help this guy?’ Then you say “we've found as a company” – not that I've found, but “we've found as a company that our very best members come from people just like you, hard-working, responsible people. Who do you know here in the area that would make a good member?” You don't say, “Who do you know that would buy this?” or “Who'd be interested in it?” because you don't want your prospect trying to figure out, ‘who would buy it or who would be interested.’ You just say, “who'd make a good member?” The average person will give you five names of people to go see. With those people you call on as a result of recommendations, the closing ratio is a lot higher than cold calls, because a friend or relative, someone they respect or love, sent you over there. If you want a long career in the motor club business, learn the art of getting recommendations.

After many years in the Direct Sales Industry, I have found that the people that are successful and have long careers with any company, have learned the art of getting recommendations.
