RECRUITING AND BUILDING A TEAM

Recruiting and building a team — not only does it provide stability to your business, but it is also very financially rewarding.

BUILDING YOUR TEAM

As you recruit Associates, and they begin making sales, you begin receiving 1st level advance overrides on their sales. When your Associates begin recruiting new Associates, you begin receiving downline overrides, as earned, at the Executive Director level on your 1st, 2nd, and 3rd levels. 1st through 4th levels as a Sr Director and 1st through 5th levels as a National Director. (See page 30 for Understanding Your Marketing Plan and qualifications for earning overrides.)

Recruit NEW Associates. And TEACH your new Associates to recruit, also.

Another great benefit of helping your Associates recruit is that as they start building and earning money on their new recruits, they see the value of building a team.

When you recruit, pay attention to your new Associates. Some are salesmen. Some are managers. Some are recruiters, and some are trainers. Learn to identify which associates fall into these categories. Don't put a square peg into a round hole and expect a salesman to be a trainer, or a recruiter to be a salesman. That gives you and them stability in the truck stops. Plus this helps you qualify for National Training Director.

Don't be afraid to have more than one downline in a truck stop, competition between downlines will help them be active and build their organizations.

USING THE "THREE FOOT RULE"

The best and quickest way to recruit is using the "THREE-FOOT RULE". Everyone within three feet of you can be your next recruit. Tell new Associates to offer the opportunity to everyone. When you go into a

new area ask the waitresses, hotel clerks, etc. if they know anyone interested in full or part time work, or anyone who could use an extra \$500 to \$1,000 a week. (Don't use this approach with truck stop employees. It is against our policy to recruit truck stop employees. Most people know someone who needs a better job or extra money.

USING MERCHANT RECRUITING

When you go to a area to build your new team, MERCHANT RECRUITING is an quick and easy to find prospects in the area. Call on all of the businesses in the area, around the town square, down strip malls, pastors of churches, etc. When you call on a business, you ask for the manager or person in charge and say, "Hi my name is _____. I'm with TVC Marketing. We are starting an new business in this area and we are looking for some people who would be interested in earning \$50,000 to \$60,000 a year. We have found that business owners like yourself usually know people who are looking for an opportunity. Who do you know that might be interested in an opportunity like this?"

NETWORK MARKETING RECRUITING

- 1) Use the "IF YOU WERE MY SAVINGS COUNSELOR" talk on the SBCA matric Plus Plan; or
- 2) Use the questions on the "OH NO" Brochure; or
- 3) Master Prospector List - Take the "WHO DO YOU KNOW" brochure and put names and phone numbers in each category. Also each time you recruit someone have them fill out the "WHO DO YOU KNOW" brochure. This is a quick and easy way to get 5-10 new associates up and going.
- 4) Dr. Pepper Recruiting - 10 - 2 and 4. As you accumulate prospects from all recruiting methods, call and set appointments with these individual to meet you in a restaurant or truck stop coffee shop to share the opportunity with them at 1 or more of these times, and also help them begin to recruit people for their business in the same way. (If you are working in the truck stop, always use the truck stop coffee shop, so that it does not take selling time away from you.)

USING NEWSPAPER CLASSIFIEDS

Many of our Associates run ads in newspapers to help build an area. This is an excellent technique; however, it is expensive and time consuming. Only try this approach if (1) you are willing to spend the money and time to make it work; and (2) you have been trained how to interview and train new recruits. Only then will it be worth the cost. (Remember, this will cost you 2 to 3 days of selling time each time you run an ad.)

You must make sure you are available for 10 days to two weeks to allow time to interview and train. After the initial training, you must be able to follow up every month for 3 to 4 days until you have found a Manager and enough Associates to fully staff the truckstop.

If you get one person per ad that makes it, the ad was successful. However, many times you will be able to recruit a whole team at once. The more the better. Get your new recruits to bring people in and help them start building a team.

Remember as you are building a new area, treat it like a new baby. You need to help them mature and grow with communication and support on a daily basis.

WEEKLY MEETINGS

You can hold weekly and monthly meetings with your teams. These are designed to offer training and recognition, as well as keeping Associates motivated to reach their goals. Most importantly meetings bring your team together. **FOCUS ON THE OPPORTUNITY.** TVC offers one of the most powerful Marketing Plans in America. Go through all the different ways they can earn commissions. Also, help your new associates set and reach their goals in these weekly and monthly meetings.

RECRUITING NEW ASSOCIATES

Procedure for recruiting:

- Schedule an ad and set your interviews on Monday.
- Set the appointment with a live phone call.
- Schedule your interviews at a Hampton Inn (or somewhere with a lot of tables in the lobby) or at the Truck Stop.

In order to run an ad, you must have it approved through the home office. Or, you can use one of the two pre-approved ads below:

Customer Service Sales Rep

Responsibilities include greeting customers, paperwork, explaining company benefits and procedures. Flexible hours. Call (YOUR PHONE NUMBER), (TIME FRAME YOU WANT TO TAKE CALLS).

Sales Manager Trainer

Association Sales. No prospecting. 6-hour days, flexible hours. 80% renewals with residual commissions and retirement income. Call (YOUR PHONE NUMBER), (TIME FRAME YOU WANT TO TAKE CALLS).

To use the following ads, you must first get permission from the Home Office:

National Company Seeking

Self-starting men and women for local area. Immediate start. Above average income potential. Complete training. Customers come to you. Weekly pay, commission advance. Retirement income. Management opportunity. Call (YOUR PHONE NUMBER), (TIME FRAME YOU WANT TO TAKE CALLS).

Recruiter/Trainer Position

National Company expanding. Advance commissions, bonuses; full company training and support; rapid advancement; benefits. Call (YOUR PHONE NUMBER), (TIME FRAME YOU WANT TO TAKE CALLS).

You should contact the newspaper in your area and schedule the dates you would like your ad to run. Those interested will call your number included in the ad ***and a live person needs to take the calls and set the appointments***. Set 2-3 appointments every ½ hour as only about 50% of the interviews will show.

*****The calls MUST BE ANSWERED BY A LIVE PERSON. Do not have callers leave a message. You will lose 80% of the calls that way and your money will have been wasted.*****

SETTING APPOINTMENTS FROM THE PHONE CALL

When you talk to the people who have answered your ad, try not to give them too much information on the phone. Just explain that you will go over all of the information they will need to know in the interview. Try to schedule as many face to face interviews as you can.

The following gives you an idea of how to set up the appointments:

"Let me tell you what the position we have is all about."

1. "It's just like the ad says — it's a counter sales position which is inside sales. The customers come to you."
2. "Your duties would be to explain a membership-based product to our customers and help them complete the application."
3. "Does that sound like something you could do?"
4. "Okay, I have an interview time open at 10:30 and 1:30 on (date). Which would be best for you?"
5. "All other questions will be answered in detail during the interview."
6. If they persist, simply say, "I don't have that information available, I am just setting the appointments. However, the person conducting the interview will be able to answer those questions for you. Would morning or afternoon be better?"

THE INTERVIEW

1. Have them fill out an Application For Interview (following).
2. Use the Interview Form and ask questions to gain valuable information about your prospects.
3. Go through the Flip Chart.

4. During the interview you should answer 3 question for the applicant:
 - a) Is the company any good?
 - b) Is the product any good?
 - c) Can I make any money doing this?
5. a) First we show the "Income Projection Spreadsheet" where they can earn from \$82 to \$102 per sale. b) Then go to the "Income projections" which is based on weekly sales, to show them the number of sales they will need make a week to reach their income goal. c) Next cover the insurance bonus to show them what they would need to do to qualify for bonuses from \$100 to \$600 per month. d) Show Reward commission income to let them see the potential available to them as they build their business, which can used for house payments, car payments, children's education or even their retirement. e) Use the page "How to Earn \$8,000 Every Month" (following) to explain how all of the things above help them reach their income goals.
6. Toward the end of the interview, review their experience and note anything that concerns you about the applicant's information (i.e. sales experience, job change frequency, general experience, etc.). Don't hire anyone you are unwilling to train. Score the applicants on a scale from 1-4, offer the jobs to "1's" first, then work your way down to 4. Again, don't hire anyone you are personally unwilling to booth train.

Explain how the training works:

1. The first day is classroom training and 1/2 day at the booth. Assign everyone shifts at the truck stop. If their is more than one stop, make sure they have shifts in all locations. Also, allow the new recruits to pick one shift at a time and rotate until all of their shifts have been selected.
2. Days 2 through 5 train each new recruit on their shift for 2 to 3 hours at the booth with different emphasis on skills for the invitation, presentation, and the close. This is covered in great detail on pages 16 through 18 in this manual.
3. There will be classroom training for 15 to 30 minutes each day to cover all of the aspects of the business for which you are being trained.
4. **TRAINING SCHEDULE** - Schedule your booth training times with each trainee for the next day before leaving.
5. Explain how commission will be earned while they are in training.

Truck Stop Lease

Schedule shifts one of the following ways based on the traffic at the Truck Stop:

A)	6am - Noon	Noon - 6pm	6pm - Midnight	1. 1 person per shift or 2. Busier stops 2 people per shift
B)	7am - 3pm	9am - 6pm	6pm - Midnight	1. This is used where you only have 2 people for part of the shifts. Shifts are 8 hours each on this schedule.
C)	7am - 3pm	3pm - Midnight		1. One person per shift or 2. Busier stops 2 people per shift. 8 hours

As an independent contractor, an associate can lease one or more shifts depending on how they want to build their business.

NOTES:

SUCCESSFUL BEHAVIOR PATTERNS

The kind of person we are looking for will have many or all of the following behavior patterns:

PERSISTED: This is the “never say die” individual. They will plug away when everyone else is ready to give up. This person will have an objective and will drive toward it despite any odds. Some handicapped people fall in this category. They will have a super will to succeed.

PAID THE PRICE: Someone who is always willing to do more than is expected of them. They will work long hours, sacrifice weekends, vacations to achieve a goal. They are more concerned with the future than the present. They will probably have many of the other patterns listed.

ACCEPTED RISKS: Look for someone who literally mortgaged the house to finance something they strongly believed in. This is someone who will take risks – money or career – to make a project a success.

ORGANIZED SELF: Look for someone who has goals and has a plan to achieve them. They organize their work schedule step by step each day, and have written outlines of future work.

RESPONDED TO A CHALLENGE: Look for someone who has a competitive spirit and who thrives on challenges. This is the person who will volunteer for the dirty details, the job that “can’t be done.” This is the coach who will pick up a losing team and make a winner out of it; the person who takes the chore of raising funds for a new school or church; or who will run against an unbeatable candidate in politics.

IMPROVED AND ADVANCED SELF: Look for the person who worked their way through college; took home study courses, correspondence or adult education courses. This person avidly reads on many subjects. Look for a person who has learned a trade or special skill on his own time.

OFFERED SERVICE: This is someone who tries just a little harder to do a better job than their competitor. They could be the TV dealer who services sets promptly, the auto dealer who services as well as sells. Other examples: Little League coaches, volunteers on charitable drives, hospital volunteers or anyone who gives service to their community on a non-paid basis.

LEARNED QUICKLY: This is a person whose knowledge covers a wide range of subjects. They absorb written or oral material quickly and have the ability to retain it. Their mental processes are like a blotter.

CALLED ON PEOPLE: This is a person who has had a background of making calls on people. Example: A salesman who has gone to the prospect, not vice-versa; or an active worker in Red Cross or United Fund drives who has called on people to raise money.

WORKED DILIGENTLY: Look for someone who puts in long hours working to accomplish a task or reach a goal. This hard work, however, must be productive, not just spinning wheels. Look for someone with successful sidelines or who does part-time work to get more money.

COACHED AND TAUGHT OTHERS: Look for the person who can impart their knowledge or skills to others; someone who has helped others to grow. This requires a person with patience and willingness to sacrifice their own time. Examples: Little League coaches, Sunday School teachers, YMCA Youth Leaders, High School Coaches, Church or Little Theater directors.

ACHIEVED SUCCESSFUL SALES RESULTS: This is the person who is (or was) successful in “outside selling.” Examples: Vacuum cleaner salesmen, pots and pans men, Fuller Brush men, new or used car salesmen, or insurance salesmen. The key here is someone who went to the customer and was successful in selling him the product.

ENTERED COMPETITION AND WON: This person loves competition, has competed, and most of all, wants to win. Whether in sports, debating or business, their foremost goal is to be first. Examples: former athletes, coaches or others who love the thrill of competing.

TOOK CARE OF DETAILS: This is the “set-up and clean-up” person; someone who follows through on any project from beginning to end. Look for the person who makes everything run smoothly down to the least detail.

DIRECTED AND MANAGED PEOPLE: This is a person who is a natural leader. People gravitate toward them. They are generally named Chairman or head of various committees. Look for them among scoutmasters, school teachers, coaches, Sunday School teachers, politicians.

INITIATED NEW IDEAS AND ACTIVITIES: This person is highly creative; one who comes up with novel ideas. This is someone not satisfied with the old way, and is always trying out something new and different.

MADE AND ACCUMULATED MONEY: Look for a person who has made money in other fields, including selling. This is the person who is involved in many activities that make money; they have the facility or ability to always come out of any venture making money, and large sums of it.

HOW TO EARN

\$8,000 EVERY MONTH

You can earn \$8,000 a month by selling just 15 TVC 4885 Pro-Driver memberships each and every week! Here's how it works: Each TVC 4885 Pro-Driver Plan counts for two toward bonus.

15 - 4885 sales (paid advance) + the same 15 - 4885 sales (paid through matrix) = \$112.80 per sale (paid at the 30 level) or \$1,691.70 per week, \$6,766.80 per month (the first month).

In the 2nd and consecutive months, you could earn:

Sales Commissions	\$6,766.80
-------------------	------------

Plus, Insurance Bonus paid for 120 (105 to qualify) sales previous month =	\$480.00
--	----------

Plus, EDIR Bonus (qualified previous month) paid for \$5 ea. on 60 sales current month =	\$300.00
--	----------

Subtotal =	\$7,546.80
-------------------	-------------------

Plus, in a year or so, you could start qualifying for as much as \$800 in reward income each month.

Subtotal =	\$7,546.80
-------------------	-------------------

\$800.00

TOTAL =	\$8,346.80
----------------	-------------------

per month!

What other opportunity do you know where you can set your own paycheck? So aim high, and set your goal to enroll at least fifteen (15) 4885 Pro-Driver memberships each week.

BOOTH TRAINING NEW ASSOCIATES

The training is five days. When you get to the stop go over one section of the book and coach them for about 15 minutes prior to the shift (with the exception of Day one with classroom training). The coaching should be done away from the booth. Try to do this at a quiet table in the truck stop, restaurant or coffee shop. When you are finished with the section, hand out the materials and let them put together 2 to 5 packets for the day. (You should booth train 2 to 3 hours during the trainee's shift each day and then release them to work the rest of their shift on their own.) The goal is to have them writing and closing sales without you as soon as possible.

REMEMBER THE BEST WAY TO TRAIN IS TO USE THE WITH HIM PRINCIPAL

You Sell - They Watch --- Example - You invite, present, and close ... they watch.

You Sell - They Help --- Example - They invite ... You present and close.

You Help - They Sell --- Example - They invite and present ... You close.

You Watch - They Sell --- Example - They invite, present, and close ... You watch.

DAY ONE - DAY FIVE Classroom Training

Follow the classroom training sections for Day 1 through Day 5 which are pages 1-48 of the Classroom Training Manual.

FOLLOW UP FOLLOW UP FOLLOW UP

You will still need to spend time with your new recruits, try to help them when necessary. Make sure to talk to them at least **once a day**. Remember, every four presentations should produce one sale.

If a new recruit goes one day without a sale, they need you. If you leave them without sales for a couple of days, they will quit. So check up on them to see how they are doing. If they need help, watch them do a presentation or two. Pay attention and determine what areas they need help with. Common mistakes nearly all trainees make are (1) trying to explain what we do without using the book; and (2) not asking for a close.

If a trainee tells you the truck stop is slow or doesn't have any drivers, this usually means they need help. Do not be critical, just schedule a time when you are able to help them.

FIVE KEYS TO SUCCESSFUL TRAINING

1. Schedule time at the booth with the trainee.
2. Teach the trainee to get drivers to the booth.
3. Teach them how to use the presentation properly.
4. Teach the trainee how to handle objections and close.
5. Teach the trainee how to use the packet for a successful close and get a new member.

Training is an on-going process. Talk to your new Associates daily to find out how they did. If they go one day without making a sale, go work with them THE NEXT DAY. Always ask to see the applications they got started. This is often the biggest problem — they don't ask the information to start completing the application. New Associates often become timid; but reassure them that this is the most effective way to become successful. People like to see things completed. Once the application is started, it is hard for a driver to turn away.

Have your new Associates draw stick men on the fuel tank of the TVC envelope every time they do a presentation (go through the flip chart). Teach them that they should never have more than four stick men before they make a sale and the envelope leaves the counter. If they do, they are missing a step — probably not asking for the information to start the application.

They should also keep a list of how many presentations they are making. If they are not getting to the presentation, they need to work on their invitation.

It takes 1 to 2 months to successfully train a new associate. Once they are successfully making 1 to 2 sales per day they should have the confidence to begin recruiting and training their own sales team. So

keep in contact; check your team sales; and this will allow you to know who to encourage and who to help.

LEADING THE WAY

To have a successful team, you must lead the way. People will follow and do what you do. There are several areas in which to lead:

- ➔ Personal Income
- ➔ Personal Sales
- ➔ Earning Bonuses
- ➔ Recruiting
- ➔ Training
- ➔ Follow-up (INSPECT what you EXPECT)

To be a leader you must have someone who is following your lead. If you look behind you and no one is following you, you may want to re-evaluate how you are leading and training your people.

PERSONAL COMMISSIONS

- ➔ Even when training, don't let your personal sales drop. Always set a good example for your Associates to follow. If you let your sales drop, so will they.
- ➔ Your personal commission is what you put into it. If you put the hours in at the booth, you will reach your goals.

PERSONAL SALES

- ➔ Be committed to your hours and truck stop schedule. Some days your count will be 20; other days it will be three. However, your weekly total should always be 20- 30 if you put your time in.
- ➔ Follow the System. We have an effective recipe to help Associates close their sales (See Class 2 "How to Close A Sale"). You follow it. Teach your Associates to follow it, because it works.
- ➔ Having a positive attitude is the most powerful thing you can pass on to your team. There are all kinds of truck stops with all different type drivers and traffic flow. In all of them, if you follow the system, you will make good commissions.
- ➔ Remember when you are at the truck stop, it is time to make money! Always do your paperwork after your shift (or before), just not at the booth.
- ➔ Ask your family and friends not to call you when you are at the booth.
- ➔ Come to work with the number of packets you plan to sell that day, never less than 15 to 20 packets. It is a state of mind. If you believe, you can achieve.

EARNING BONUSES

- ➔ Set goals, then plan your week to achieve them. This helps you to keep focused so that you can earn all of the bonuses available.
- ➔ Keep your team focused on winning bonuses. Let them know where they are so that they don't fall short by one or two sales.

RECRUITING / MANAGING

- ➔ Watch your personal sales and team sales each week. Set business goals and continue to recruit new Associates until you reach them. Then set new goals.
- ➔ Duplicate yourself. Develop Managers in your truck stops that can build different areas for you. Then they are earning money, and so are you!

TRAINING

- ➔ Keep your invitations and presentation simple so your Trainees can duplicate them easily.
- ➔ Always schedule Associates at the booth, during their shift. I have found that more people at the booth creates excitement. Drivers want to find out what's going on and sales start to soar.
- ➔ Communicate with your team. Call them and watch their sales on the internet.
- ➔ Identify those who need your help. If someone has not made sales for a couple of days, have them work with you. Give them additional training and encouragement.
- ➔ **Follow up.** Schedule times to go back and work with new Associates on their shift. Pay attention and give them suggestions on how to increase their sales.

BE A LEADER! A team will follow a Leader.

- ➔ Be a Serious Minded Person.
 - a) Write 15 applications a week.
 - b) Practice the 5 Steps of the Success Coin.
 - 1. Believe in the Company the Product and Yourself.
 - 2. Wear Your TVC Pin.
 - 3. Share the 3 Question or "If you were my savings counselor."
 - 4. Practice the 3 Foot Rule.
 - 5. Sponsor 2 per Week.
 - c) Do 5 Year Recruiting Overlay.
 - d) Be FAT - Faithful, Available and Trainable.
 - e) Qualify for all Weekly and Monthly Bonuses.
- ➔ Give great customer service.
- ➔ Be available to help team members.
- ➔ Set daily, weekly and monthly income goals.
- ➔ Be supportive of company incentives, and help team members qualify.
- ➔ Come to work with 15-20 packets, ready to sell.

Your training will start at _____ am/pm at _____.
(time) (location)

Your TVC Trainer will teach you all you will need to know to build a successful business. Your training will consist of five days, with a minimum of six hours per day.

TVC Associates get paid weekly. The sales week runs from Sunday through Saturday. All sales that have cleared for commission by Wednesday, pay on Friday. Direct deposit is available for all Associates; otherwise, checks are mailed every Thursday.

During your training period, your Trainer will use the "With Him" Principal:

- First - Your Trainer will Sell, You will Watch
- Second - Your Trainer will Sell, You will Help
- Third - You will Sell, Your Trainer will Help
- Fourth - You will Sell, Your Trainer will Watch

This process will ensure that you will be comfortable with the presentation, before you sell solo.

During your training, if you would like to work in the booth on your own so that you can practice, ask your Trainer to set this up for you. He or she will check the schedule and do their best to fit some time in for you. Any sale made on your own, will be your sale and commissioned to you.

HOW TO EARN \$8,000 EVERY MONTH

You can earn \$8,000 a month by selling just 15 TVC 4885 Pro-Driver memberships, first and last with on-going pay, each and every week! Here's how it works: Each TVC 4885 Pro-Driver Plan counts for two toward bonus.

15 - 4885 sales (paid advance) + the same 15 - 4885 sales (paid through matrix) = \$112.80 per sale (paid at the 30 level) or \$1,691.70 per week, \$6,766.80 per month (the first month). In the 2nd and consecutive months, you could earn:

Sales Commissions	\$6,766.80
Plus, Insurance Commission Bonus paid for 120 (105 to qualify) sales the previous month =	\$480.00
Plus, EDIR Commission Bonus (qualified previous month) paid for \$5 ea. on 60 sales current month =	\$300.00
Subtotal =	\$7,546.80

Plus, in a year or so, you could start qualifying for as much as \$800 in reward commission income each month.

Subtotal =	\$7,546.80
	\$800.00
TOTAL =	\$8,346.80 per month!

What other opportunity do you know where you can set your own paycheck? So aim high, and set your goal to enroll at least fifteen (15) 4885 Pro-Driver memberships each week.

SEVEN STEPS FOR GOAL SETTING

1. Identify the Goal
2. Set a deadline for achievement
3. List obstacles to overcome
4. Identify the people and groups to work with to accomplish your goal
5. List skills and knowledge required to reach your goal
6. Develop a plan of action
7. List the benefits – What's in it for me.

GOAL SETTING

Look at dream sheet and select only those items you truly want to achieve.

Combine items from both the dream sheet and the self-evaluation to get a comprehensive list of your major goals.

Before you transfer items to your Major Goal Sheet, make sure you can answer yes to these 5 questions.

1. Is it really my goal?
2. Is it morally right and fair?
3. Are my short-range goals consistent with my long-range goals?
4. Can I commit myself emotionally to complete the project?
5. Can I visualize myself reaching this goal?

If so record the item on your Major Goal Sheet.

From the new list select at least 2 goals that you will work on every day.

For each goal you work on daily apply the seven steps to goal setting.

Identify Goal	Identify People
Set Deadline	List Skills
List Obstacles	Develop Plan
List Benefits	

Evaluate all of your goals on a regular basis.

When one goal is reached, replace it immediately with another goal.

Certain emphasis on goals may change so review your entire list regularly and adjust.

If it is a give up goal share it with everybody.

If it is a go up goal share it only with those you love and trust who will give you support.

In order to reach your Goal you have to make a Commitment.

DO IT NOW!

CLASS ONE

THE PRESENTATION

Presentation Basics, Invitations & Approaches, Trial Closes & Issuing Membership Packet

PRESENTATION BASICS

Preparation

Think positive! Prepare yourself to have a great day.

Set a goal! How many memberships do you plan to sell during your shift?

Dress professionally! Remember, you are asking a prospective member to entrust you with his money. He won't do this if you look and act like a bum. Besides, when you look good, you feel good, and if you feel good, it shows!

Smile! Come to the truck stop with a smile on your face. Remember, you are here to share an invaluable service with drivers.

Prepare to Achieve! If you set your goal for five applications, have five member packs ready to sell. If you set your goal for ten applications, have ten member packs ready to sell. Remember, if you can believe it, you can achieve it.

How to Present Yourself

Present yourself in a professional and confident manner. If you aren't confident about yourself and your product, why should a prospective member be?

Posture is extremely important. Good posture translates into confidence. Always stand at the booth, never sit. When you stand, **STAND TALL!** Also, stand beside or in front of the booth, don't hide behind it.

Avoid standing with your hands in your pockets. Many people, often without even being aware, associate this with hiding something. You are a TVC Pro-Driver Associate, and TVC Associates have nothing to hide. You sell a service that you can be proud of.

When you speak with prospective members, speak clearly. By speaking clearly, you present yourself as a professional, knowledgeable, and confident person.

It is basic knowledge to anyone in sales that first impressions are very important. Your appearance, your greeting and your overall attitude must be pleasing to the customer.

The booth counter should always be kept clean. Keep coffee cups, soft drinks, etc. out of sight.

INVITATIONS & APPROACHES

INVITE, INVITE, INVITE drivers to the booth! Give everyone the opportunity to be a TVC Pro-Driver member. If you let one driver slip by without inviting him to the booth, you may have just lost a sale.

Introduce yourself and shake hands firmly with your prospect. Find out his name and use it repeatedly throughout your conversation. Everyone likes to hear his own name. And, it is especially impressive if you can remember it the next time he comes in, even if he didn't become a member. In this case, you can really "wow" him by letting him know that you remembered his name anyway; and he may buy this time.

Some Approaches to Try

- Hello, my name is _____. And your name? It's nice to meet you. How many years have you been driving?
- Have you checked out our Pro-Driver program yet?
- Do you have your membership card?
- Have you seen our new program?
- Where are you from? Are you married?
- (If at a busy truckstop) When you finish your business, I would like to invite you to our counter. I have some important information to share with you before you leave.
- Who do you drive for?

The Presentation

After you have someone at the booth, you need to be ready to give a well thought out and effective presentation. This section covers what we consider to be an effective presentation and mirrors what is in our training flip chart. In the training flip chart folder, there are bubbles over the pages with the words we want you to use while giving a presentation. This is not only effective, but also easily duplicatable. Refer to your training folder to see which pages go with the following presentation so that you will have it in the correct order. This presentation should take no more than 2 to 5 minutes.

AD&D page: We give you \$50,000 AD&D

Serious Traffic Violation Page: You know two tickets can cause you some problems, that is why we fight them all.

You are covered page: You are covered in the U.S.A. and Canada in anything that you drive.

Membership Card page: Here is what your membership card looks like. We are open to assist you 24 hours a day, 7 days a week.

Moving and Non-Moving Violation page: We fight all moving and non-moving violations, and we have over 17,000 provider attorneys on retainer to ensure you have the representation you need where you need it.

Testimonial Page: Have you ever driven in California? Well you know how tough it is out there then. This driver had a \$1,400 ticket carrying two points, we got it reduced to \$76 and no points on his license. This other driver had 5 tickets in 5 years - we got every single one of them dismissed.

\$200 Bail Bond Page: We give you a \$200 cash appearance bond. If the officer wants money on the spot, call us or hand him your membership card and we'll wire the money directly to the holding authority.

\$5,000 Bond Serious Accident Page: We have a \$5,000 police bond if you are ever in a serious accident....

Serious Accident Page: And we pay 100% of your legal defense for those same charges...

Serious Accident Testimonial: This was a driver that it actually happened to. He was in a serious accident where three people died. He was charged with 3 counts of misdemeanor death. He was facing 18 years in prison, \$4,500 in fines, and a three year suspension of his license. We represented him, and he got no jail time, no probation, and his fines were reduced to \$500. He couldn't drive in North Carolina for one year, but do you know what he had to pay our attorney for this defense and result? ZERO! We spent \$30,000 to represent him and he paid zero.

Pre-Existing Page: Do you have a ticket now? (If no, then skip, If yes, refer to the next section in this manual.)

Personal Injury Page: We also give you 2 1/2 hours of attorney time for personal injury and property damage collection.

Credit Card Page: You have credit and debit cards don't you? (Nod your head yes, while asking this question, also don't say "Do you have..." - always say "You have...") Great, we protect them if they are ever lost or stolen.

Discount Benefit Pages: You also get car rental, hotel and motel discounts. Prescription and eyewear discounts. A free simple will and set legal discounts on other legal matters.

25% Discount Page: If you ever need an attorney for anything other than a moving or non-moving violation, we get you a 25% discount off our provider attorney's normal rates.

Tax Deductible Page: The best part about this is that it's 100% tax deductible. At the end of the year you get to write off 100% of your membership dues. So Uncle Sam basically pays this for you!

Now you are ready to pick up the packet and go through the close. The close is covered in the next class.

Now put your 5 packs together and go through your close until you nail it down tight.

(At the end of each day your trainer will help you put together 5 membership packs and then go through and mock the close with you. You will do this at the end of each class - each day)

Notes

CLASS TWO

CLOSING THE SALE

Common Objections & Rebuttals, Pre-Existing Citations & Truck Stop Etiquette

TRIAL CLOSES

After each point, "trial" close your prospect with statements like these. Always begin with a positive statement and ask them to agree.

- ➔ You can see how this would benefit you, can't you?
- ➔ This would help you on the road, wouldn't it?
- ➔ Your CDL is important to you, isn't it?
- ➔ You can see how this could save you money, can't you?
- ➔ You can see how you would benefit by these savings, can't you?

If you feel that he is ready to purchase, start completing the application. Ask him to spell his name and start filling out the paperwork. When he responds with his name, continue on through the application. Once you have completed the application and given the new member his packet, summarize the benefits and explain how to use the service.

- ➔ One of the best things about this membership is that you can let your bank or credit card make the payments for you. And this will qualify you for monthly payments. Would you prefer to use your bank or credit card?
- ➔ Because they are on the road most of the time, most of our members prefer to let their bank or credit card make their payment each month. Which do you prefer?

These are Assumptive Closes. THIS IS HOW IT SHOULD BE DONE. When you arrive at the end of the presentation, you make your closing remark and end it with a question to start completing the application. (i.e. "What is your Social Security Number?" or "How do you spell your last name?")

When they reply with the information, follow through and complete the application.

After you have completed the application, ask them to "okay" their membership and point to the signature line. DO NOT ask them to "sign," ask them to "okay."

SAMPLE CLOSE

After the presentation, pick up the member pack and say:

"I am going to give you this membership card and stickers for your log book and truck. If you get a ticket, need a bond, or have an accident, call the 800 number, they will help

you. The Power of Attorney is for tickets, and there is a Summary of Benefits. This is your pack for your truck. A membership pack will come to your house with all the other benefits. Be sure to look it over and fill out your beneficiary form."

Unfold the application and have a pen in your hand. The very next thing you say is "What is your name?" Be quiet and wait for a response. If you get an objection, answer it and then say again, "What is your name?" Be focused on getting the information. Do not mention the words price, check, credit card, money, or bank draft. Once he gives you his name ask for his address, phone number and social security number. If you get an objection, answer it and restate your question.

Once you have the name and address filled out, fill out the member's gray membership card. As soon as you have filled out his card, say, "We bill you through your bank. What is the name of your bank? Do you have that card in your wallet? Remember, keep quiet, the next person to talk loses.

If you have to hold a membership, hold it to the end of your work week. Tell the driver to call you if **HE DOES NOT WANT THE MEMBERSHIP.**

If you have a bank name and no account number, suggest calling his work if he has direct deposit for his paycheck, call his wife, or if the driver is from a small town, you may be able to call the bank with the driver on the phone and get the number.

The key to selling a lot of memberships is writing out information. The more information you get, the closer you are to finishing the sale. Be confident, look your prospect in the eye, assume that everybody wants what you are selling.

Do not give out cards or brochures. If they want that information they have to give you **their** information. Tell them it is better to write it on the application where he can keep a copy than to take information by fax or over the phone at a later date.

Just before the driver signs the application, tell him about the first and last months payment. Explain that we do it this way so that they never lose their ticket and accident protection even if for some reason they miss a payment. We also want their reward income to remain in force. Having a buffer month allows us to keep those safe for them.

Other Closing Techniques

Feel, Felt, Found

This is a great way to handle objections. It shows the customer that you are understanding his feelings.

FEEL - I can see why you'd FEEL that way...

FELT - Other drivers I have talked to have also FELT that way...

FOUND - What I have FOUND is that...

Then restate the objection in a way you feel comfortable handling it."

The 3-Step Close

1. Use a softening statement. ("I can see why you might feel that way.")
2. Question the objection.
 - a. "Let me see if I understand what you are saying..."
 - b. "You like the membership, right?"
 - c. "And you feel like it is worth the investment. Is that what I understand you to be saying?"
3. Restate the objection in a way that you can solve the problem.
4. Then ask a closing question.

Read Zig Ziglar's *Secrets of Closing the Sale* for more great closing ideas.

OVERCOMING COMMON OBJECTIONS & REBUTTALS

Objection: I need to think it over.

Rebuttals:

1. What do you need to think about? (Find out WHY and respond accordingly).
 - a. Amount (cost)?
 - b. Credit card use?
 - c. Can't spare the cash? No problem. You do have it in the bank, don't you? Okay, then we can just do a bank draft.
 - d. Specific benefits of the plan (moving violation representation, non-moving violation representation, traffic accident representation, etc.)
2. Is 30 days long enough to think about it? Great! The company will even cover you while you are thinking about it. Pay for one month, and if you decide you don't need the coverage, just send a letter to the home office saying you want to cancel.
3. How many years have you been driving? What is your plan if you get a ticket or have an accident? Wouldn't it be a relief to you to have one less worry? So, what is your social security number?

Objection: How do I know that this really works?

Rebuttal:

1. Well, let me show you the testimonials from other drivers. With our 17,000 provider attorneys representing our drivers, most of the tickets we have handled have either been reduced (less points on their record) or sometimes even dismissed (so that it won't appear on their record at all). One thing you will notice from the testimonials is that the member is still responsible for paying the fines and/or court costs; but you can see from their statements, that it was a big relief for the driver to know that his record was kept clean.

Objection: Can I take a brochure with me?

Rebuttal:

1. Well, you could take a brochure with you, but you know that the brochure would be exactly like the one that you are looking at here, and I'm sure that you can tell from the two or three things we have covered so far, that there is a lot more information that you would be missing by reading the brochure only. What I would really like to do is take the time to explain it here so I can answer any questions you might have. It will just take a few minutes to run over some of the major benefits of TVC Pro-Driver, and I'm sure that you will find that it really is worth your time to listen.
2. I would really be happy to send a brochure with you; but, when you see that police car with lights on in your rear view mirror, pulling you over for a ticket, that brochure isn't going to help you at all, but this membership card will.

Objection: I am against a Bank Draft.

Rebuttal:

1. I understand, but there are two other options: credit or debit card. Which would you prefer?
2. Why are you against a bank draft? It is so safe and easy. The bank gets the bill and sends the money, or you get the bill and send a check. It really is the same thing, except you don't have to worry about getting home in time to get the bill or remember to write a check and mail it. Did you know, most of our members pay by bank draft. Since they are on the road most of the time, they find it really convenient to have the bank take care of it for them.

Objection: Do you have a business card I can have?

Rebuttal:

1. Well, I could give you a business card, but what you really need is your membership card with the 800 number on it. First, if you have to call me long distance, it is going to cost you some money. Second, I can't really do anything for you once you get a ticket. So, I would rather give you a membership card with your name on it. Then, you can take the membership packet with you so if you do get a ticket, you'll be covered. If you look at this as costing only \$1.33 a day, isn't it worth a few cents a day for the knowledge that if you do get pulled over, you won't have to worry.

Objection: I don't have any charge cards.

Rebuttal:

1. That is only one payment method option. Let me show you how easy we can arrange a method that will work best for you.

Objection: I have to discuss this with my spouse.

Rebuttal:

1. I understand. But you'll have more information to give them if you have the membership packet, right? In order to get the packet, you need to fill out the application to get enrolled. If, after you talk it over with them, you decide against the coverage, just call the home office. You can cancel it at anytime.
2. I understand how you FEEL. I have talked to other drivers who have FELT the same way. What I have FOUND is that if they can go home with the membership packet, they have an easier time showing their spouse the value of TVC Pro-Driver. In order to give you this packet, I must have at least the first month to send in with your application. Then you'll be covered while you are talking it over. Remember, you are not obligated to more than one month at a time, so if you change your mind, you can just send in a cancel letter in one of the return envelopes you get with your membership packet. If this works for you, let's get this paperwork out of the way. What's your social security number?

Objection: I don't have a bank or credit union.

Rebuttal:

1. Just cash? Well, earlier you mentioned that you have credit cards. Do you have any with you today?
2. Does your spouse or someone handle your business affairs for you while you are on the road?

Objection: Just give me an application to take with me. I'll send it in later.

Rebuttal:

1. I'd like to do that, but the application has to be dated, timed and signed with my signature to say that you have everything you need to benefit from this service. And I can't give you a packet and membership card without a completed application.

Objection: I'll be back on _____. I'll have money then.

Rebuttal:

1. That's great. You know, the only problem with that is that I might not be here. I spend a lot of time here, but not 24 hours. And if your schedule and mine aren't the same, I might miss you. Even worse, you could get a citation between now and then, and if you do, there would be a \$295 handling fee.

You know you would benefit from the service, and you can see how much it can save you in time and money, so let's just get you enrolled now. After all, we can start counting down the ten-day pre-existing waiting period and a delay might only cost you more.

Objection: I don't have my bank numbers.

Rebuttal:

1. That's no problem. We can call you bank and get them. Or maybe someone is at home that can help us out.

Objection: My truck goes too slow so I'll never get a ticket.

Rebuttal:

1. Yes, it is true that some companies can fix trucks so that they can only go 60 or 65 mph, but they still give you an 80 mph trailer to put on the back.
2. True, you may only be able to get up to 60 or 65 mph, but many of the tickets our drivers get seem to be from small towns or in construction sites where the speed is drastically reduced. And often, we see tickets from drivers who were driving their car at home. With one computer system, all tickets, whether you get them in your car or truck, go on your record.
3. Well, our plan covers moving violation, not just speeding tickets. We also cover improper lane changes, following too closely, running a stop light, failure to obey a traffic signal, failure to yield, driving in the wrong lane, and much more.
4. We cover moving AND Non-moving violations. Did you know that there are more non-moving violations that carry the penalty of serious, than there are moving(in some states). Having a slow truck won't matter much then will it?

PRE-EXISTING CITATIONS

Definition: A Pre-Existing citation is one which was received before becoming a member, or within the first 10 days of membership. A handling fee is required for all pre-existing tickets.

If you are enrolling a driver who has a citation he would like us to work, fax us the application immediately, call to confirm that the application was received, then have the member speak to Customer Service. He will need to give them the following information:

1. Type of Citation: If you are not sure if it is covered under the moving or non-moving violation representation benefit, call the home office to be sure.
2. Accident Involved: If an accident was involved, the ticket would be handled as a 25% case, meaning that the member would be responsible for the attorney's fees less a 25% discount off their normal hourly rate.
3. Court Date: The office must receive the information with at least 10 working days remaining prior to the court date to have time to get an attorney.
4. Handling fees: If the office receives the citation with at least 10 working days prior to the court date, the handling fee is \$295. If the office receives the citation with 5 or less days prior to the court date, the fee is \$395 and there is no guarantee that we can obtain an attorney on such short notice. If an attorney cannot be obtained, the pre-existing handling fee will be refunded. If the office receives the citation on or after the court date, the citation would be handled as a 25% case. All court costs and fines are not covered and are the responsibility of the driver.
5. The home office will have the member mail in the original citation (or legible copy of both front and back sides), a statement of fact regarding the citation, a completed and signed Power of Attorney certificate and the applicable handling fee. They need to mail this information to the home office IMMEDIATELY.

6. If Customer Service determines that the citation is to be handled as a 25% case, the member will still need to mail in the citation, (or legible copy of both front and back sides), a statement of fact regarding the citation, and the completed and signed Power of Attorney certificate IMMEDIATELY. The member will be informed that he is responsible for the attorney's fees (less a 25% discount off the normal hourly rate), as well as court costs and fines. He can discuss the approximate fee totals with his Provider Attorney when his case has been assigned.
7. Inform the member to call the toll-free number a couple of days after he has mailed the citation to be sure the office has everything they need to fight the case. If the case is a 25% discount case, the member will be able to get the name and number of the Provider Attorney at this time. Also, inform the member to call the home office a few days before the court date to make sure the attorney has everything he needs, and again about five days after the court date to find out the results of the case, and if he needs to mail fines to the court.
8. Inform the member to forward any correspondence he receives from the court to TVC as soon as possible.

TRUCK STOP ETIQUETTE

You will be leasing a space at a Truck Stop so you will be working closely with others in that Truck Stop. Although you are not an employee of the Truck Stop, it is extremely important to be courteous and polite for several reasons. First, if you have developed good relationships with the truck stop employees, they will often bring drivers to your booth. You'll find your business will improve as a result. Second, the success of TVC's image at your truck stop may be the reason for TVC to be able to expand to another truck stop.

Under the unwritten rules of the "Vendor's Code," you should not bother another Vendor's customer. And, you should never invite a customer to your booth who may be standing in front of another vendor's booth. If you find yourself in a situation where a driver is asking you a question while standing at another vendor's booth, answer the question briefly and invite the driver to your booth after he has finished his business with the other vendor.

Each truck stop has an Employee/Vendor parking area. Always park in the designated areas, as truck stops want their customers to park as conveniently as possible.

Truck stops require professional conduct and appearance of their vendors. Some may also require drug testing.

Now put your 5 packs together and go through your close until you nail it down tight.

(At the end of each day your trainer will help you put together 5 membership packs and then go through and mock the close with you. You will do this at the end of each class - each day)

PAY METHODS

Bank Draft:

Whenever possible, attach a voided check or deposit slip of the account to be drafted. Be sure to complete the name, street address, city and state of the bank to be drafted in order to verify the transit numbers (bank routing numbers).

All transit numbers must be nine (9) digits. Draftable transit numbers CANNOT begin with any number greater than 32. If the member does not know his transit number, but has a check or deposit slip with him, the number is listed at the bottom of the check or slip with the account number and check number.

SCS cards, ATM cards, and most other cash cards CANNOT be used for drafts. The numbers on these cards are generally NOT the account number, and are therefore useless when trying to draft from an account.

If you are having trouble getting bank account numbers from the bank by phone, ask if you can fax the application with the signature for verification. Usually, the bank will then call you back with the account numbers.

Bank drafts are sent for collections monthly a few days prior to the enrollment date. Occasionally, when the draft day falls on a weekend, the draft may hit on Friday before the weekend.

Canadian banks can now be drafted. **It is important to attach a voided check or deposit slip of the Canadian account to the application.** Canadian checks marked "U.S. Funds" can be cashed and are gladly accepted. These applications can only be input by the home office.

Bank draft authorizations must be signed by the **SIGNER ON THE BANK ACCOUNT ONLY**. Do not sign for the member or write "Per Phone Call To Member".

If a customer must call their home or bank for account numbers, stay with them at the phone to answer any questions or objections from the spouse or bank.

If the member wants his account to be drafted on a specific date, this can only be handled by the home office. Associate services will inform you how to process these applications.

Be sure to send the appropriate copy of all applications to the home office.

Credit Cards:

After you input an application using a credit card as the method of payment, make sure to send the appropriate copy to the home office as soon as possible for all of that weeks sales. If the member happens to dispute the charge on their credit card because they

did not recognize our name on their statement, or deny the charge for any other reason, we must produce a copy of the signed application to avoid being charge back by the credit card company.

Convert Members

If a driver is an ACTIVE member of any other motor club and enrolls as a TVC Pro-Driver member, the ten (10) day pre-existing waiting period is waived. However, if he has a ticket prior to enrollment, the pre-existing handling fees still apply.

Verification of the membership (his membership card) must accompany the application, and be mailed to the home office.

Pre-Existing Period

The Pre-Existing Period is anytime before the member enrolled and ten (10) days after the enrollment date. If a member gets a ticket within this time, he will be charged a Pre-Existing Handling Fee.

The Enrollment Date is reflective of the date the membership was entered and accepted into the computer system. The Pre-Existing Period will extend for ten (10) days after that entry date.

A Pre-Existing Handling Fee of \$295 is due when a member has a citation that occurred prior to or within ten (10) days after membership enrollment date. **This fee CANNOT be waived.** If the pre-existing ticket is received in the office with five (5) or less business days from the court date, the pre-existing fee is \$395; however, there is no guarantee that an attorney can be obtained on such short notice. If an attorney cannot be obtained, the pre-existing handling fee will be refunded.

Other Helpful Tips

Often, drivers do not wish to "sign up" for anything (they "signed up" for the army). So, if you use the term "enroll" instead, you may find a better success rate.

TVC Pro-Driver is 100% tax-deductible as a professional membership, so long as the taxes are itemized. Have the driver check with their accountant. Professional associations and membership dues are normally tax deductible.

All cancellations must be in writing and the bond cards returned with the cancellation notice. Refer to the bank draft and credit card authorization sections on the application, as well as the cancellation section in the membership handbook.

Now put your 5 packs together and go through your close until you nail it down tight.

(At the end of each day your trainer will help you put together 5 membership packs and then go through and mock the close with you. You will do this at the end of each class - each day)

Our 800# is open 24 hours a day, 7 days a week. There is always someone there who can help. If you have a customer who has a question, please offer help. The Home Office is there to help you and the customer. TVC prides itself in outstanding customer service.

CUSTOMER SERVICE

Customer service is a sale waiting to happen. Any great company excels in Customer Service (just look at American Express and Southwest Airlines).

You may be the only one representing TVC that actually comes into contact with the customer, so be sure you have the tools necessary to provide information. If a customer comes by with a complaint, listen. Take down the information and call Associate Services. They will help to assess the problem and determine what needs to be done.

Make sure the customer understands the product. Always validate their feelings and resell the membership. Make sure they understand the value of their membership.

CONFERENCE CALLS

You can hold weekly and monthly conference calls with your teams. These are designed to offer training and recognition, as well as keeping Associates informed on their standing for the month (are they close to reaching a bonus, etc.?). Most importantly conference calls bring your team together.

UNDERSTANDING YOUR WEBSITE

As a TVC Associate, you have the benefit of having your own website. On your website, you have the ability to monitor your business, monitor your team's progress, and enter your own sales.

To receive your own website, just sign up for your TVC membership. Any membership you purchase gives you a website. (To qualify for bonuses, you must have a membership value of \$42.90 or above. See section in Training Class Four for more information).

Your web-site address will be www.tvcmatrix.com/YOUR_USER_NAME. You will be prompted to choose a "User Name" when you enroll. You can then send prospects to your website to purchase products and services. Any sale purchased through your website will be credited to you for sales commissions and/or Matrix commission.

Your trainer will show you how to access your website, walk you through the process of entering sales and answer any questions you may have, or you can schedule a tour of your website by phone by calling Associate Services at TVC.
