**Name: Dwight Speer**

I was stopped at the scales in California, and received several violations ranging from speeding, logbook, and equipment. The total fines assessed were \$1,400. TVC got the fines reduced to \$76 with no points on my CDL. I am a three year member.

These tickets were dismissed thanks to TVC. Now I have a clear, I mean nothing on it, MVR.

**Your card will be accepted as CASH BOND or we will wire the money by Western Union or Comchek.**

Recently, I received a speeding ticket for going 72 in a 55 mph zone in the Atlanta area. TVC represented me to verify a course of action. The lawyer was able to reduce the charge to 62 miles per hour, so I would not get any points; and the fine that I had already paid was returned to my lawyer uncashed. You can bet that I'm one happy customer, and would recommend this service to everyone driving!

# Oh no...

**You're traveling down the  
highway & realize the  
red light on your  
dashboard says  
you're almost  
out of  
gas  
.**

You may not have enough gas to get home!!!  
Has that ever happened to you with no gas  
station between you and your final  
destination?

It has to me, and that's a scary feeling. You just  
hope you can make it there and not be  
stranded in the middle of nowhere.

Or, have you ever got to the 15th of the month  
with no more money in your checking  
account, or cash in your pocket. The credit  
cards maxed out with more bills to pay. Still  
need food, prescriptions, house payment,  
children's needs, car payment, etc.!!!

I have, and that's a scary feeling too!

Have you ever thought about retirement and  
looked at your social security, and realized  
that it's less than you're making now, and  
thought, "I won't have enough money to live  
on, much less pay for prescriptions, house  
payment, travel, much less think about  
retiring!"

I have. And, if social security was all I had,  
that would scare me to death!

HOWEVER, now with the new 3X8 TVC  
Referral Matrix Program, you can show  
people how to have a great service as well as  
the retirement income they need for life!!!

Visit our website at [www.tvcmatrix.com](http://www.tvcmatrix.com)

Go to <https://www.tvcmatrix.com> to see the new matrix's commission in detail. You can find each product's commission details under the matrix link under each individual SBCA product. However, here are a few examples showing eight levels with 1st and 2nd matching commission:

- ◆ The \$5.95 TVC Plus Motor Club plan would earn you over \$11,000 a month; over \$139,000 a year!
- ◆ The \$11.25 TVC Plus 100 Motor Club plan would earn you over \$22,000 per month; nearly \$265,000 a year!
- ◆ The \$42.90 SBCA Green Plan would earn you over \$84,000 per month; and over \$1 million per year!

**Live the life  
you deserve!**

To sign someone up, all they need to do is click "Add to Cart" and upon completion of sign-up, they will get their own website so they can begin signing up their own referrals and building their own retirement!

To stay active and earn reward income, all they need is one referral to sign up in the previous 90 days, or have an active membership of \$5.95 or greater, and their commission will be paid on the 15th of the month.

To fill your matrix, all you need is:

Generation	Sales	Comm.

ARE YOU  
HEADING  
DOWN THE  
WRONG ROAD  
TOWARDS BUILDING  
YOUR RETIREMENT  
INCOME?

IF SO,  
CHECK OUT  
OUR REFERRAL  
PROGRAM  
AND BUILD  
YOUR WAY TO  
**FINANCIAL FREEDOM!**

**If you were my  
savings  
counselor...**

**ROAD SERVICE**  
Plus, I am going to need road service, because now I need my car towed. Also, with kids in college, and my spouse locking their keys in the car all the time, I need road service and car lock out service. We would like you to take care of that as well.

**ACCIDENTAL DEATH & DISMEMBERMENT**  
Then, I also want you to provide an accident policy for me that covers my entire family. If I was killed in this accident, I want you to pay \$30,000 for my accidental death. If my wife was killed, I want you to pay \$15,000. And, I want you to pay \$3,500 per child, if they are killed. Also, if I was killed I want you to pay for each of my college-aged children's college education up to four years. And in addition to that, I want you to pay the daycare costs of my pre-school aged children up to four years. I also want you to pay for one year of job training for my spouse, since she'll have to go back to work) to re-enter the job market and get a good paying job.

**LEGAL**  
First, I want you to hire an attorney, and pay the attorney's fees any time any of us gets a speeding ticket. This way we can keep our driving records clean and insurance costs down.

**TRIP GUARANTEE**  
Second, if we have an accident and are at least 100 miles from home, I want you to provide a trip guarantee for us, up to \$750.00. In other words, if we want to continue our trip, we can rent a vehicle and drive to our destination OR we can take commercial transportation there and back OR we can stay up to 72 hours and you will pay for our meals and lodging while our vehicle is being fixed.

**VEHICULAR MANSLAUGHTER**  
In addition to that, if someone is killed in that accident and I am charged with vehicular manslaughter or negligent homicide (you know that could cost me \$15,000 to \$20,000 in legal fees), I want to be able to call you to hire an attorney. Of course, I want you to pay all the attorney fees as well.

*Wait for an answer, then continue...*  
My wife and I did our budget last night. All we can afford is \$10 to \$100 each month. For this amount, would you be willing to provide all these services for me and my family, and provide a retirement income of \$2,000 to \$6,000 per month?

We can provide that type of income through reward commissions with our least expensive membership. Our \$5.95 plan with a full matrix would pay you \$2,248.21 per month. If you sign up 3 who get 3 and so on, your matrix can grow to as much as \$11,659.62 per month or \$139,915.44 per year! We currently have members earning over \$7,000 per month. This is more than the \$2,000 to \$6,000 per month mentioned earlier. Also, with our \$42.90 SBCA Green Plan, your reward commissions can be vested, which means you can will your reward commissions to your heirs!

This is a truly referral business where you use the product, and refer people to your website. When they enroll, they get a discount of 50% off the commissionable value and you get a 10% override the first month. Each month after, the membership falls into the matrix, and that is where you are building your reward commissions. You can also do direct sales on several of our plans and receive an advance commission.

All a person has to do to sign up is click on "Add to Cart" and complete the information. Once they finish, their web page information pops up and they can begin referring members to their website and start building their own reward commissions. They can also change their login and password information by going to "Account" then to "Login info."

**DriverShield** is part of the TVC family. It operates separately from TVC and therefore has its own Matrix and Commission Structure. All sales made of **DriverShield** Gas Money will fall within a **DriverShield** Matrix, which is separate from the TVC Matrix. The **DriverShield Plan** pays a \$50.00 advance\* fast start commission when collecting first months dues with an ongoing payment method. Since this is a separate company, no TVC bonuses will be paid on **DriverShield** Gas Money sales. This includes, but is not limited to, Cash Winner Bonus, Insurance Bonus and Executive Director Bonus. However, **DriverShield** Gas Money sales will count toward your weekly and monthly sales qualification counts for these bonuses. A **DriverShield** Gas Money sale will qualify as 1 PGV. Only sales with ongoing payment methods will be accepted.

If you refer or sell two (2) people a week, you would earn \$100 a week Gas Money. Also, everyone you bring in can do the same, which would increase your monthly Matrix Gas Money much faster than the hypothetical example above. Your Matrix money is paid once a month, over and above the weekly fast start.
