TVC PRO-DRIVER MEMBER TESTIMONIALS

Name: Dwight Speer
City: Camden, WI
Employer: Martin Transportation

I was stopped at the scales in California, and received several violations ranging from speeding, logbook, and equipment. The total fines assessed were \$1,400. TVC got the fines reduced to \$76 with no points on my CDL. I am a three year member.

YOU SAY

**Have you ever driven
in California???? Look
at this \$1,400 ticket ---
reduced to \$76 with no
points....**

Recently, I received a speeding ticket for going 72 in a 55 mph zone in the Atlanta area. TVC represented me to verify a course of action. The lawyer was able to reduce the charge to 62 miles per hour, so I would not get any points; and the fine that I had already paid was returned to my lawyer uncashed. You can bet that I'm one happy customer, and would recommend this service to everyone driving!

TVC PROVIDER MEET THE

YOU SAY

This member was in a serious accident where three people died. He was charged with 3 counts of misdemeanor death. He was facing 18 years in jail, a \$4,500 fine and three-year suspension.

We got him no jail time, no probation, and only a \$500 fine. He couldn't drive in North Carolina for one year.

We paid over \$30,000 to defend him.
He paid zero.

In a highly publicized case that was featured on CNN newspaper, Joe Smith (not his real name) was charged with **3 counts of misdemeanor death** by vehicle involving an accident which resulted in three deaths and a number of injuries when his truck ran into a bus.

Each of the three counts was punishable by a maximum of six years imprisonment **(total possible 18 years)**, \$1,500 in fines **(total possible \$4,500)**, and loss of license for one year **(total possible 3 years)**. Thanks to TVC and the Provider Attorney and pursuant to a plea arrangement with the State, Mr. Smith received the following:

NO JAIL TIME

NO SUPERVISED PROBATION

\$500 FINE

ONE YEAR REVOCATION OF DRIVING PRIVILEGES IN STATE WHERE ACCIDENT OCCURRED. HOWEVER, HE IS ALLOWED TO DRIVE IN HIS HOME STATE AND ALL OTHER REMAINING STATES IN THE U.S.

YOU SAY

Now I hope this never happens to you. And, of course, Mr. Driver, this wouldn't be covered if the charge was drug or alcohol related.

PROVIDER ATTORNEY SERVICE

You will receive a **25% discount** off of the provider attorney's normal hourly rate on any legal matter not specifically covered under this Membership Plan. These fees are between you and your attorney.

Your provider attorney may require a retainer fee before beginning work on your case.

How it Works:

- Should you require an attorney with an unusual specialty or in a remote location, TVC will conduct a search for an appropriate attorney to provide the legal benefits for you.
- In order to secure the services of an attorney at a 25% discount off of his standard hourly rate, contact TVC with details of your legal matter. This will enable us to properly refer an attorney.
- Contact TVC by phone 3-5 business days after your initial contact, for your Provider Attorney's name and phone number. Once you have your attorney's name, you will need to **agree with him upon a fee** (at 25% off his normal rate). You should then **maintain contact with him**, and you should **provide him with the necessary information he requires** to successfully complete your case.

CLOSE THE SALE...

IMMEDIATELY pick up the packet. (Build value...)

We are going to give you this card, stickers for your truck and your logbook. Here are your power of attorneys. If you have a ticket or accident, call this 800# and they will help you. Here is a summary of your benefits that we talked about.

What is your name?.... What is your address?.... What is your phone number?... What is your social?

Complete the membership card while chatting (about the weather, where he's headed, the price of gas, anything but the price). Do not mention check, bank, credit card, etc. Once you complete the top part of the application, say, "We bill you through your bank, do you have that card in your wallet?"

Look the driver in the eye, hold out your hand, and BE QUIET!

Once you have payment, say, "By the way, we like to do a first and last month draft so that your membership is never cancelled by mistake, is that okay?"

Have the member sign the app. Give him his packet.

Shake his hand and tell him Thank You and to Drive Carefully

PRE-EXISTING TICKETS

If a driver has a ticket, he is only thinking about the ticket. Tell him we can help him... then sell the membership as above. When you get to the Pre-Existing page, tell him he will send the handling fee to TVC, all you need today is to get the membership started so we can get working on his ticket.

Take the stand that if he had had this membership, he would not be in pre-existing status, but the next time he gets a ticket, he will just need to call it in.

Remember, you are not an attorney. Tell him he needs to speak with one of our legal supervisors so that they can help him with his ticket. And remind him that it requires a membership for that to happen.

Free consultations for the 25% discount and pre-existing citations are all handled the same way. A membership is required to speak with a legal supervisor.

If they want a guarantee, tell them we are not in business because we aren't doing our job. If anyone can win, we can. They won't be disappointed.
