

25% DISCOUNT

PROVIDER ATTORNEY SERVICE

You will receive a **25% discount** off of the provider attorney's normal hourly rate on any legal matter not specifically covered under this Membership Plan. These fees are between you and your attorney.

Your provider attorney may require a retainer fee before beginning work on your case.

How it Works:

- Should you require an attorney with an unusual specialty or in a remote location, TVC will conduct a search for an appropriate attorney to provide the legal benefits for you.
- In order to secure the services of an attorney at a 25% discount off of his standard hourly rate, contact TVC with details of your legal matter. This will enable us to properly refer an attorney.
- Contact TVC by phone 3-5 business days after your initial contact, for your Provider Attorney's name and phone number. Once you have your attorney's name, you will need to **agree with him upon a fee** (at 25% off his normal rate). You should then **maintain contact with him**, and you should **provide him with the necessary information he requires** to successfully complete your case.
